Ranking Member, House Committee on
Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chair Granger and Ranking Member DeLauro,

I am requesting funding for the City of Sidney Municipal Airport Water & Sewer Extension Project in fiscal year 2024. The entity to receive funding for this project is the City of Sidney, located at 14833 Sidney-Plattsville Road, Sidney, OH 45365. The funding would be used to extend water and sewer infrastructure to the airport and surrounding areas to support science, engineering, and industrial parks. The project is an appropriate use of taxpayer funds because this project will serve the southern boundary of the City of Sidney and will support further economic development projects in the city, county, and state. This extension will allow for further residential and commercial development in the region.

The project has a Federal nexus because the funding provided is for purposes authorized by the Community Development Block Grant (CDBG) program: 42 U.S.C. 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mike Carey
Member of Congress
