**THE APPLICATION:** Applicants should apply to Congressman Carey in the spring of their junior year of high school. Please pay special attention to the two deadlines listed further down in the text.

**IN ORDER TO RECEIVE AN APPLICATION** from Congressman Carey, you must first complete the *Application Request Form* on Congressman Carey's website. Please email the completed form to [Branden.Meyer@mail.house.gov](mailto:Branden.Meyer@mail.house.gov). **The deadline for submitting this request is Friday, September 13, 2024.**

**\*\*After the request form has been submitted, the *Nomination Application* will be sent via email to the student's email address listed on the form.**

***We will not send out an application at a student's telephone request nor will we send out a packet at a family member's request or a counselor's request.***

You may apply for a nomination to more than one military academy and in fact, you are encouraged to apply to more than one, assuming you have the sincere desire to attend. Congressman Carey can give more than one nomination to an applicant. Keep in mind that you must open a file and keep it current at each academy while also seeking a nomination from Congressman Carey.

You are also encouraged to apply to Senator Brown and Senator Vance as well as Vice President Harris. You may also apply to President Biden, assuming you meet the criteria. Keep in mind that you will have to maintain current and complete files at each office to which you apply. There is no sharing of information on candidates' files between the offices.

**The 15<sup>th</sup> Congressional District *deadline* for returning the completed application package to Congressman Carey's Columbus District Office is Friday, October 11, 2024 at 5:00 p.m.**

*If your file is not complete by the deadline, you will NOT be eligible to be interviewed by the 15<sup>th</sup> Congressional District Academy Review Board.* It is the responsibility of the applicant to make certain that all required documentation is received in a timely manner. It is strongly recommended that you send in all information early.

***When returning your completed application packet to our office, you are required to include the following information:***

- ***Congressman Carey's Nomination Application***

- ***Test Scores-*** to be considered for a nomination to an Academy, the application must take the Scholastic Aptitude Test (SAT) and/or the American College Testing Program (ACT). It is strongly recommended that both the SAT and ACT tests be taken to see which one measures your educational background most favorably. Applicants are advised to check test dates carefully with their guidance counselors. You may either have your test scores forwarded to Congressman Carey's office directly from the testing centers by using the following codes for the 15<sup>th</sup> Congressional District or you may submit a printed copy of your test scores directly to the office. Please be mindful of the individual ACT and SAT deadlines to allow for plenty of time to have the test scores submitted to our office prior to the deadline. While the academies can accept later test dates, we cannot.

**Important: Please do not delay in taking the SAT and/or ACT tests. Your application packet, with test scores, must be complete by the October 11 deadline. We will update a file as the student makes test results available to our office prior to a nomination being awarded.**

- **High School Records**- a legible certified/official copy of your high school transcript must be included with your application.
- **Photograph**- you must submit one recent wallet size photograph of yourself- be sure to print your name on the back of the photo (to be used for informational purposes only).
- **Letters of Recommendation**- three letters of recommendation are required. One letter MUST be from either a teacher or counselor.
- **Personal Essay**- you are required to submit a personal essay (maximum of 250 words) on what motivates you to attend a military service academy and the goals you have for your military career. You must sign your essay.

**THE INTERVIEW:** Congressman Carey's Academy Review Board will interview applicants who have returned their completed application package to the Congressman Carey's Office by the deadline date of Friday, October 11, 2024. The Board is comprised of individuals throughout the 15<sup>th</sup> Congressional District including active and retired military, members of the clergy, educators, business persons, etc. some of whom are academy graduates. The interviews will be held on a Saturday in November. Eligible applicants will be notified of the date and time of their interview in advance.

**THE NOMINATION AND APPOINTMENT:** We use the competitive method, which is the method favored by 80% of Members of Congress. Under this method, Congressman Carey can submit an unranked slate of up to ten nominees for each vacancy. Each year we have at least one vacancy at each academy. The academies have their own selection board that then ranks out ten nominees in order of merit in accordance with the specific academy system. The most highly qualified is selected for an offer of appointment to fill that one vacancy. The other nine nominees then go into a national "pool" where they compete with other applicants for available slots. An appointment gives you admission to an academy.

A nomination by Congressman Carey **DOES NOT** guarantee an appointment to an academy.
