The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C., 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Loramie Township Hall/Garage in Fiscal Year 2026. The entity to receive funding for this project is Loramie Township, located at 4376 Rangeline Road Russia, OH 45363. The funding would purchase a commercial lot and construction of the Loramie Township Hall/Garage. This project is an essential community facility. The current township hall is unable to be used because it has no restroom facilities and is not handicap accessible, therefore, it is unfit for occupancy for offices and to hold public meetings and a polling place for elections. The new hall/garage would house township/zoning and cemetery offices in one location and also store township records safely. The new township hall/garage would house the current township trucks, snowplows, mowers, tractors, tools, road signs and miscellaneous parts in one location and provide the infrastructure needed for efficient day to day operations of the township.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mike Carey
Member of Congress
