U.S. House of Representatives

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C., 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Sidney/Shelby Water Sewer Extension Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Sidney located at 201 W. Poplar Ave, Sidney, Ohio 45365. The funding would be used to extend municipal water and sewer lines south of the current service area. The project is an appropriate use of taxpayer funds because it will supports local, state, and federal objectives to increase affordable housing, grow the tax base, and revitalize rural and semi-rural communities through infrastructure investments.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mike Carey
Member of Congress
