May 2, 2025

The Honorable Tom Cole
Chair
Committee on Appropriations
U.S. House of Representatives
Washington, D.C., 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C., 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Village of Jeffersonville's Lift Station in Fiscal Year 2026. The entity to receive funding for this project is the Village of Jeffersonville at 8 North Main Street, Jeffersonville, Ohio 43128. The funding would be used to construct a lift station as the Village of Jeffersonville, Ohio, has struggled with deteriorating and aging wastewater infrastructure for several years. Outdated and insufficient lift stations in the collection system are causing ongoing issues, including capacity limitations and inefficiencies that make it increasingly difficult to handle current demand. Addressing these challenges has become more and more time critical due to the rapid economic growth occurring in our region. The project is an appropriate use of taxpayer funds because the funding will ensure the Village of Jeffersonville and Fayette County has the water resources necessary to support the ongoing and future expected growth in the region.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mike Carey
Member of Congress
